

Want to put some real meat into your profile??

You are cordially invited to attend:

Meat Judging Seminar

When: Thursday, January 14th 7:00pm

Where: Weitendorf Agricultural Education Center
17840 Laraway Road
Joliet, IL 60433

Presented by Extension Specialist
Dr. Tom Carr

Professor, University of Illinois
Department of Animal Sciences

Learn the basics of meat judging and retail cut identification. Discover 4-H projects in the area of meat. Explore opportunities in the meat science field. Equip yourself to be a part of a meat judging team in your club or school.
